UWE Allied Health Professions Conference 2017

The Department of Allied Health Professions invites clinical colleagues, AHP students, postgraduate & research students and academic staff to UWE Allied Health Professions Student Conference 2017.

This annual event will showcase research conducted by undergraduate and postgraduate students from our Diagnostic Imaging, Occupational Therapy, Paramedic Science, Physiotherapy, Radiotherapy & Oncology, and Sports Rehabilitation programmes. This includes a wide range of systematic literature reviews and primary data collection projects presented as posters and platform presentations.

The day will include presentations from UWE AHP staff and invited external speakers and provide opportunities to discuss continuing professional development.

This event is FREE but attendance may be restricted due to capacity. It is therefore essential that you register online at <http://store.uwe.ac.uk>. Follow links to 'Product Catalogue' – 'Conference and Events' – 'Department of Allied Health Professions Conference 2017' ([Click here to book a place](#)) Hot drinks will be provided at coffee breaks; lunch will not be provided so bring your own or you can purchase lunch from 'Traders' cafeteria.

Registration will close on Wednesday 31st May 2017.

We look forward to welcoming you to this exciting event.

Dr. Mary Cramp
Associate Head of Department, AHP, UWE, Bristol
(On behalf of the AHP Conference organizing committee)
