Study day

Vascular Ultrasound Examination and Assessment of Lower Limb Deep Vein Thrombosis (DVT)

You are invited to attend a day of lectures and practical hands on demonstrations learning how to use diagnostic ultrasound to scan and detect deep vein thrombosis of the lower limb.

Delivered by UWE lecturers and experienced Accredited Clinical Vascular Scientists. This session is aimed at practitioners wishing to learn or improve their skills for scanning the lower limb veins. Enabling you to recognise normal sonographic appearances and to diagnose pathology.

Topics Covered Include:

- Review of Doppler techniques
- Venous Anatomy
- Normal anatomical appearances
- Sonographic appearances of pathology
- Clinical management of lower limb DVT
- Practical hints and tips

Previous experience of ultrasound scanning is desirable but not essential.

Lunch, refreshments and delegate packs are included.

Equipment provided by Canon Medical Systems.

Date

Tuesday 21 March 2023
09.30 – 16.30

Location

Room 1E08
UWE Bristol
Glenside Campus
Blackberry Hill
Bristol
BS16 1DD

Cost

£125
