Accredited Vascular Scientist
Membership number: 519

Dear Member,

This year you were randomly selected to provide evidence for the CPD audit, which the SVT performs annually at the end of each membership year for all accredited members.

As you are aware, the SVT requires a minimum of 30 CPD points over a three year rolling average. Although you were able to provide sufficient evidence for the majority of your CPD activities submitted over the past three years (1st September 2013 to 31st August 2016), you were unable to provide **all** necessary documentations. As a result, the following activity with missing evidence will be removed from your account:

- **2nd November 2013: Vascular meeting – 5 point**

If you wish to discuss this decision/activity, please do not hesitate to get in touch.

Nevertheless, I am pleased to confirm that you will maintain your AVS status since you were still able to provide evidence to meet the minimum points required.

I would like to take this opportunity to thank you for your time and co-operation with this audit process.

Many thanks,

Veni Ramachandran (CPD co-ordinator)
On behalf of the SVT Education Committee
