VASCULAR SOCIETIES' ANNUAL SCIENTIFIC MEETING 2020

16th-19th November 2020 - Abstract Sessions

24th - 27th November 2020 - Annual Scientific Meeting

Delegate Joining Instructions

Dear Emma Waldegrave,

These joining instructions detail important information for the sessions. We strongly advise you take the time to read all of the information detailed in this document, as it contains information that will help aid your experience and make this a successful event for yourself and fellow delegates.

In order to log into the event platform we recommend that delegates use Google Chrome. Other browsers, such as Microsoft Edge, Firefox and Safari are also supported. Please ensure that you install a compliant browser prior to logging in.

Log in to the portal

To log in to the event please click on the link below:

[OnAIR Virtual ASM Portal](#)

Enter by clicking on your unique link above. **Please do not share this link with other colleagues as it will not work for anyone else.**

Alternatively, if asked you can also log in using below information:

Email: emma@vascularsolutions.co.uk

Password: 5PWUMU

Once you log onto the system you will need to action the following:

- Allow audio and video in your browser
- Confirm or enter your details and upload a photograph of yourself
- Confirm your time zone

Once you have logged onto the OnAIR Portal, you will be presented with your attendee view, that will include your personalised timeline of sessions, functions and one-to-one meetings with exhibitors. You will also see links to a virtual exhibition and virtual ePoster gallery. On the right side of the portal, you will see different options for any session, function or one-to-one meeting. These details change based on the timeline item that is currently selected. You can also see Meeting Hub, which is an attendee to attendee networking hub where attendees can search for other attendees, have video chats and exchange contact details.
