Maria Morgan
.....

attended the ASPIRE 3 Conference

24th - 25th September 2021

*Mr Timothy Beckett MD FRCS
Consultant Vascular Surgeon
Aspire 3 Conference Lead*

Medtronic

Date 25th September 2021

Dear Doctor Maria Morgan,

We would like to take this opportunity to thank you for your participation as a faculty member for the **ASPIRE 3** course held on 24th and 25th of September 2021 at Southmead Hospital, North Bristol NHS Trust.

We asked the faculty to provide lecture content, small group teaching as well as both open and endovascular simulations. This annual National Induction course has helped shape the future of newly appointed Speciality Trainees in Vascular Surgery and has always received positive comments. This year, it could not have taken place without your support.

To show our gratitude, please accept this as a letter of appreciation with course feedback to soon follow. We hope you have enjoyed being a participant and we look forward to working with you again in the future.

With kind regards,

Mr Timothy Beckitt MD FRCS
Consultant Vascular Surgeon
ASPIRE 3 Conference Lead
