

REFLECTIVE CPD ACTIVITY FORM

Name: Anne Wilcox

Job Role: Vascular lab manager

Description: <i>(i.e. SVT AGM 2017, presented at local meeting)</i>	SVT AGM 2017
Date(s):	23/ 11/ 2017 Total Days 1
Type of activity:	X Educational X Professional <input type="checkbox"/> Work-based <input type="checkbox"/> Self Directed <input type="checkbox"/> Other _____
Benefits to your practice:	<p>The AGM is a chance to meet up with friends and colleagues from other vascular labs. It gives me the opportunity to swap ideas and gain advice from peers. I decided to register with the clinical physiology register as I don't have statutory registration with the HCPC.</p> <p>There were many interesting scientific presentations. The retrospective analysis of the growth rate of CIAA was of particular interest.</p> <p>We were finding it difficult to establish optimal surveillance intervals for CIAA and this helped to define our surveillance protocol.</p>
Benefits to service user:	This was of benefit to our patients as it meant that they did not have to come for unnecessary scans.
Supporting evidence: <i>(can include program certificate, notes, presentation, signed training sheet)</i>	Attendance certificate scanned on to SVT on line CPD record
Additional notes:
