

27th October 2021

Dear Amy Bolsworth,

I am writing on behalf of the Society of Vascular Technology of Great Britain and Ireland (SVT) to invite you to participate the programme for their Annual Scientific Meeting. The SVT programme will be taking place during the Vascular Societies' Annual Scientific Meeting 2021, on Wednesday 1st - 3rd December 2021 at Manchester Central Convention Complex.

We would be grateful if you would consider delivering a presentation during the conference. The details are as follows:

Day of Presentation: *Wednesday 1st December 2021*

Session Time: *1600-1700*

Session Title: *Joint session with VASBI – Endovascular AVF and ultrasounds role*

Talk Title/Topic: *The role of US pre-operatively in planning AVF construction*

Talk Length: *15 Minutes*

The Vascular Societies' are hoping that the event will appeal to the full spectrum of professional groups in the Vascular community to showcase the best in clinical and basic science research as well as quality improvement work.

We would like to offer you complimentary registration for the day you are giving your presentation. Please register for the conference using the link below, once you have done this we will then issue a refund/credit note for the complimentary one-day attendance, this will be calculated as either a refund of half or third of your total amount dependant on how many days you have registered for.
