OUTCOME OF CPD AUDIT 2017-2018

Dear,

As per 'The CPD Document 2017/2018' each year the SVT randomly selects 10% of their AVS members for CPD audit.

This year you have been randomly selected to provide your evidence for your CPD activities for the last 3 membership years: 1st September 2015 to 31st August 2018.

I am pleased to confirm that you have successfully passed the audit having performed CPD activities worth ≥ 30 CPD points over the last three membership years, produced evidence for these activities and submitted reflective practice/clinical activity forms. Please ensure that you keep a copy of your reflective practice forms should you be selected for audit in the future.

As per the CPD document, members can only be selected for audit ONCE in any three membership year period. You are therefore exempt from being selected for CPD audit in membership years 2018/2019 and 2019/2020. Please keep this certificate as evidence of audit, should you be incorrectly called for audit within these years.

I would like to take this opportunity to thank you for your time and co-operation with the audit process.

Kind Regards,

Heather Anderson

Co-CPD officer on behalf of the SVT education committee.
The Society for Vascular Technology of Great Britain and Ireland.
