

EACME
European Accreditation Council for Continuing Medical Education

Charlton Cross International Symposium 2017 - Vascular & Endovascular CONSENSUS Update
London, United Kingdom (25 – 28, April 2017)

designated for a maximum of, or up to 21 European CME credits (ECMEC).

Each medical specialist should claim only those credits that he/she actually spent in the educational activity.
The EACME is an institution of the European Union of Medical Specialists (UEMS), www.uems.net.
Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACME credits to an equivalent number of AMA PRA Category 1 Credits. Information on the process to convert EACME credit to AMA
