Hi Laura,

Apologies about the delay in getting back to you.

Thanks for sending over your clinical activity form. I have had a look over your online locker and everything is valid and up to date.

You are entitled to 10points per annum during mat leave - essentially you are exempt. To allow me to add this to your account, please can you add two submissions with the attached email confirmation so I can add the points across two membership years (Jan-Sep; Sep-Dec). Use the tick box "my item isn't listed" and you can free type Mat leave.

Hope that makes sense,

Amy

Subject: CPD audit

Dear Amy,

Please find attached my Clinical Activity Summary Sheet for my CPD audit. Please note that I was on maternity leave from January 2020 to December 2020, which is reflected in my scanning numbers.

I have updated my CPD for January to August this year and had already completed online CPD reflections for all of my entries and will renew my membership online.

I have attached a letter from my Manager as confirmation of my maternity leave dates. Can I apply for an exemption for my maternity leave?

Hopefully that will be everything that is required, but do let me know if there is anything else outstanding.

Best wishes,
Laura
