Louise Allen, President, Society for Vascular Nursing

Dominic Foy, President, Society for Vascular Technology

The Vascular Societies' Annual Scientific Meeting 2019 has been awarded a total of 15.5 hours CPD by
The Royal College of Surgeons of Edinburgh

REFLECTIVE CPD ACTIVITY FORM

THE SOCIETY FOR
VASCULAR TECHNOLOGY OF
GREAT BRITAIN AND IRELAND

Name: Dermot Murphy

Job Role: Chief IT Vascular Physiologist, Beaumont Hospital, Dublin.

Description: (i.e. SVT AGM 2017, presented at local meeting)	The Vascular Societies' Annual Scientific Meeting, Nov 2019.
Date(s):	27/11/19 to 29/11/19 Total Days/Hours 3
Type of activity:	<input checked="" type="checkbox"/> Educational <input type="checkbox"/> Professional <input type="checkbox"/> Work-based <input type="checkbox"/> Self Directed <input type="checkbox"/> Other _____
Benefits to your practice:	I have attended the Vascular Meetings since 1998 and have always found them extremely beneficial. Eg. The talk on 'ultra-bypasses' was very informative. - Importance of 'hockey-stick probe' for ultra-bypasses. - Was able able to persuade senior management the importance of getting a hockey stick probe for information obtained at the meeting.
Benefits to service user:	Vascular consultants and patients benefit from the extra information by using from new 'hockey stick probe'. Which can obviously impact the management of the patient.
Supporting evidence: (can include program certificate, notes, presentation, signed training sheet)	See locker / attached certificate
Additional notes:	I had great support at the meeting from SVT members / committee regarding an issue we were having with toe pressure cuffs + infection control within the Attending meeting is a great way of linking up with fellow Vascular professionals.

21st July 2020

COVID Exemption Certificate – 4 CPD Points

Dear Member,

In light of the COVID-19 pandemic the CPD team and SVT Education Committee wanted to ensure members were not unfairly penalised due to the lack of opportunities to gain CPD points during these unprecedented times.

In order to maintain AVS accreditation members are required to maintain a 30point rolling average over a 3 year period ie.10 points per annum.

This certificate is worth **4 CPD points** covering the period from the 1st of April 2020 – 31st of August 2020.

Please upload this to your locker on the SVT website by ticking the box "my activity is not listed" and free typing "COVID CPD" into the activity box. You must upload this before the 31st of August in order for this to count towards this membership years CPD points.

Kind Regards,

Amy Bolsworth and Hannah Lines

Co-CPD officers on behalf of the SVT education committee.
The Society for Vascular Technology of Great Britain and Ireland.
