Subject: RE: 11th Dorset and Wilts Network Clinical Meeting Mon 3rd April 2017 Postgraduate Centre RBH

I know you are all very busy.

However I would be most grateful for a reply to the email below sent originally on 15th Feb.

So far I have had replies only from those listed here. If I do not hear from the rest of you by the end of this week I will assume you are not attending. *If you have already replied, please confirm or deny whether you would like to join Denise Owen from Vascutek in the evening for a meal at Bellagio in Winton.* Remember 'you no come the meeting, you no get the food.'

Subject: 11th Dorset and Wilts Network Clinical Meeting Mon 3rd April 2017 Postgraduate Centre RBH

NEXT MEETING

Monday 3rd April 2017

Plenty of time to apply for that ½ day study leave or ask your Clinical Director for a free pass (good luck with that one).

You should be able to count the meeting as internal CPD in the categories of clinical, academic, and possibly even managerial depending on the content of the meeting.

Dear All,

It is a fair time since we last met.

As usual I would plan to have presentations from a range of viewpoints and specialties. If you have a desire to speak on a subject that is either of vascular interest or is generally educational please let me know. We may, for the first time in the history of this meeting, have a debate!

Where?

Conference Room, Postgraduate Centre, Royal Bournemouth Hospital

When?

1400-1800, Monday 3rd April (Mr Watson on call)

Why?

Educational, a chance to network, fun, free meal afterwards (possibly)

What to do?

Cancel the clinic (I have cancelled mine already)

Cancel the list

Come along on Monday 3rd and join your colleagues.

Mr Lasantha Wijesinghe

Consultant Surgeon
