

RSM Venous Forum annual meeting 2017

Tuesday 11 - Wednesday 12 July 2017

10.15 am **Quantifying and prioritising management of mixed obstructing and refluxing venous disease**
Professor Alun Davies

10.25 am **Panel discussion**

10.30 am **Tea and coffee break**
Visit trade exhibition and poster presentations

SYMPOSIUM FIVE: MODERN MANAGEMENT OF DEEP VENOUS DISEASE

Chairs: Professor Alun Davies and Professor Andrew Bradbury, Sampson Gamgee Professor of Vascular Surgery, University of Birmingham and Consultant Vascular Surgeon, Heart of England NHS Foundation Trust, Birmingham

11.00 am **Should all patients with acute proximal DVT undergo thrombolysis?**
Dr Santhosh Vijay, Consultant Vascular Radiologist, Worcestershire Acute Hospitals NHS Trust

11.10 am **Venous occlusive disease – who and when to stent: Tips and tricks**
Mr Joe Brookes, Consultant Endovascular Radiologist, University College Hospital

11.20 am **Maintenance after deep venous intervention: Is anticoagulation with DOACs as effective as warfarin, and do antiplatelets have a role**
Mr Adam Gwozdz, NIHR Academic Clinical Fellow in Vascular Surgery, King's College London

11.30 am **Magnetic resonance venography for investigation of pelvic disease: Strengths and weaknesses**
Mr Michael Åkesson, Medical Director, Senior Consultant, Interventional Radiology, Scandinavian Venous Centre, Malmö

11.50 am **Panel discussion**

FREE PAPER SESSION TWO

Chairs: Mr Keith Poskitt and Professor Julie Brittenden, Director of Research and Development Vascular Surgeon Queen Elizabeth University Hospital and Professor of Vascular Surgery, College of Medical, Veterinary and Life Sciences, University of Glasgow

12.15 pm **Metabolic phenotyping of chronic venous disease by nuclear magnetic resonance spectroscopy**
Dr Sarah Onida, Clinical Research Fellow in Vascular Surgery and Honorary Vascular Specialty Registrar, Imperial College London

12.25 pm **Thrombophilia in non-thrombotic chronic venous disease - a systematic review**
Mr Kia Hau Matthew Tan, Medical Student, Imperial College London

12.35pm **A systematic review of peripheral blood markers in primary chronic venous disease**
Miss Lara-Rose Manley, Medical Student, Imperial College London

12.45 pm **The impact of introducing a centralised nurse-led Image-guided pICC line service within the radiology department: A study to compare the radiologist's insertion of tunnelled neck lines versus nurse insertion of PICC lines in a teaching hospital**
Dr Syed Haydar, Radiology Registrar, North West London Healthcare NHS Trust

RSM Venous Forum annual meeting 2017

Tuesday 11 - Wednesday 12 July 2017

DAY TWO: WEDNESDAY 12 JULY 2017

8.00 am Registration, tea and coffee
Visit trade exhibition and poster presentations

SYMPOSIUM THREE: VASCULAR EXPERTISE IS USUALLY REQUIRED TO DIAGNOSE ULCER AETIOLOGY BEFORE TREATMENT IS IMPLANTED IN THE COMMUNITY:

In association with the society of vascular nurses and the society for vascular technology of great Britain and Ireland and the tissue viability society

Chairs: Ms Aisling Roberts, Vascular Nurse Specialist and Committee Member, Society of Vascular Nurses
Dr Una Adderley, Lecturer in Community Nursing, School of Health and Social Care, University of Leeds and
Professor Gerry Stansby, Professor of Vascular Surgery, Freeman Hospital, Newcastle

8.30 am Leg ulceration in the UK: The burden for NHS services
Ms Aisling Roberts

8.40 am Managing leg ulcers in the community: What are the key investigations and when should vascular services be involved
Dr Una Adderley

8.50 am The leg ulcer clinical knowledge summary – a help or a hindrance to rational leg ulcer management
Professor Alun Davies

9.00 am Can vascular-led leg ulcer services be delivered outside consultant vascular clinics?
Ms Wendy Hayes, Vascular Nurse Consultant, Worcestershire Acute Hospitals NHS Trust

9.10 am Effective delivery of leg ulcer care in a community setting
Ms Alison Hopkins, Chief Executive, Accelerate CIC

9.20 am A new RSM VF fast-track guideline for leg ulceration
Dr Sophie Renton, Consultant Vascular Surgeon, Northwick Park Hospital and Honorary Senior Lecturer, Imperial College Healthcare NHS Trust

9.30 am Panel discussion

SYMPOSIUM FOUR: MODERN VENOUS IMAGING:

Venous Forum in association with the Society of Vascular Technology of Great Britain and Ireland

Chairs: Ms Helen Dixon, President, The Society for Vascular Technology of Great Britain and Ireland and
Mr Chris Lattimer, Honorary Consultant and Senior Lecturer in Vascular Surgery, Josef Pflug Vascular Laboratory, Ealing Hospital and Imperial College, West London Vascular and Interventional Centre

9.45 am Duplex assessment of superficial and deep venous disease - techniques and challenges
Ms Tracey Gall, Senior Clinical Vascular Scientist, IVS Ltd

10.05 am How should vascular trainees get their ultrasound training?
Mr Nikesh Dattani, ST5 Vascular Registrar, West Midlands Deanery

Handwritten notes:
RPS Contribution
The less well
organised

RSM Venous Forum annual meeting 2017

Tuesday 11 - Wednesday 12 July 2017

12.55 pm Lunch

SYMPOSIUM SIX: IN ASSOCIATION WITH THE BRITISH ASSOCIATION OF SCLEROTHERAPISTS

Chairs: Mr Philip Coleridge Smith, President, British Association of Sclerotherapists and
Mr Dan Carradice, Academic Clinical Lecturer, Hull York Medical School

2.00 pm The essentials of treating telangiectases by sclerotherapy
Mrs Claire Judge, Clinical Nurse Specialist, Royal Free Hospital, London, East Grinstead and Woking Hospitals

2.10 pm Strategy for resolving complex telangiectases
Mr Philip Coleridge Smith

2.20 pm Tricks and tips for limiting cosmetic complications of foam
Mr Gareth Bate, CNS Vascular Surgery, Heart of England NHS Foundation Trust

2.30 pm Will endovenous glue supersede foam sclerotherapy and MOCA as the non-thermal truncal treatment of choice in the NHS?
Mr Ed Challoner, Consultant Vascular Surgeon, University Hospital Lewisham

2.40 pm Panel discussion

SYMPOSIUM SEVEN: TRAINING IN VENOUS DISEASE AND INTERNATIONAL GUEST LECTURE

Chairs: Mr Sandip Nandhra, Vascular Registrar, Health Education North East and
Mr Ian Franklin, Consultant Vascular Surgeon, Charing Cross Hospital

3.00 pm Venous training in the vascular curriculum
Mr John Boyle, Chairman of the Specialty Advisory Committee (SAC), Vascular Surgery and Consultant Vascular Surgeon, Cambridge University Hospitals NHS Trust

3.10 pm Current training in endothermal and NTNT varicose vein procedures
Mr Lewis Meecham, Vascular Surgery SpR, UK

3.20 pm Accessing training in crosssection and stripping on the new vascular curriculum
Mr Sandip Nandhra

INTERNATIONAL GUEST LECTURE

Introduction: Mr Isaac Nyamekye, President, Venous Forum, Royal Society of Medicine

3.30 pm The importance of establishing the correct aetiology and pathology before treating a leg ulcer
Dr Raghu Kolluri MD, Vascular Medicine, Ohio Health Heart and Vascular Physicians in Columbus, Ohio, USA

4.00 pm Awarding of prizes (oral and poster presentations)

4.20 pm Close of meeting
