Hi Kate

Yes of course. Delighted to confirm that you attended both days of the event in June. Your vascular specific contributions to the development of the job profiles and skills matrix for the assistant and associate roles were invaluable. I hope you are also able to attend the verification session next week?

Best wishes

Teresa

Subject: Evidence for SVT CPD - Regional meeting in June - Calderdale Framework

Hi Teresa,

I would like to include this activity as part of my SVT CPD - but I need evidence of attendance.

Would you mind emailing me back confirming that I did attend the event in Taunton on Thursday 8th and Friday 9th June?

Thank you,

Kate

Kate Houghton | Senior Clinical Vascular Scientist & Head of Vascular Science

Accredited Vascular Scientist (AVS) and HCPC Registered
