Dear Antonio

I hope that you are well. As you will have seen from other emails this week, your application for the post of EE has finally been approved.

So WELCOME to your EE role at SHU!

I am sorry for the delay – this was because there were potential conflict of interest with several EEs from your institution, but I am so pleased that your application has now been approved!

I wondered if you might like to arrange a virtual get together with myself and the ultrasound team to meet us and to introduce you to our course and modules?

Are there any particular days or times of day which would be easier for you? (I know how busy course leader schedules can be!!).

Are you working during the week of 22nd November? Perhaps we can find some time to get meet up??

Best wishes

Catriona

Hello Catriona,

That's great to hear. I have enclosed a copy of my C.V. as requested.

Hope all is going well.

Dear Antonio!

I am so pleased to hear from you, and I am delighted that you are willing to be considered for the EE role!

Could you please send me a copy of your CV, and I can then liaise with my EE department so they can do whatever checks they need?

Many thanks

Catriona

Hello Catherine,

Happy to be considered for this.

Subject: External Examiner Opportunity

Hello Everyone!

I hope that you are all well, and ready for the new academic year!

I am contacting you all with a plea for help.....

My lovely External Examiner Gareth Bolton has now completed his term, and I am desperately seeking a new External Examiner for my MSc Medical Ultrasound Programme at Sheffield Hallam, starting from October 2021.

I would be so very grateful if you would consider taking on the role, or encouraging a colleague who might be suitable to contact me. I'm happy to arrange a chat if anyone wants more information.

Your help is much appreciated!

Best wishes

Catriona
