

Image Interpretation
Certificate of Completed
Training

This is to certify that:

Joanne Widdup

has successfully completed the following session from the Image Interpretation project:

Image Interpretation - Vascular Ultrasound:
Lower Limb Arteries

On: **07/2/2013**

The work undertaken in completing this session can be used to satisfy three sets of standards relating to your employment and practice.

These are:

- The NHS Knowledge and Skills Framework (KSF)
- Accreditation of your CPD portfolio by the College of Radiographers (CPD Now)
- The Health Professions Council's (HPC) CPD Standards
