Subject: Your invitation to our latest NHS Stakeholder Gathering

Dear Angela

Many thanks for your response. I can confirm that I am able to attend and have completed the registration form.

I have my equivalent AHP, Pharmacy and nursing peers at the ICB who may also be interested in attending – not sure if the invite can be extended to them?

Kind Regards
Puja

Puja Patel

Associate Director of Healthcare Scientists – University Hospital Southampton NHS Foundation Trust

HIOW ICB Healthcare Scientist Workforce Lead - Hampshire and Isle of Wight Integrated Care Board

Dear Puja

Thank you for your email and I do apologise that Engagement did not respond. I have today spoken to our Head of Department and she has confirmed that this is suitable. If you are able to attend please complete your acceptance via the below link.

If there is anything else I can help with please let me know.

Kind regards

Ang

Good morning Puja

I hope this email finds you well.

I am touching base as I am aware our Head of Social Sciences and Nursing (Jan Parker) invited you to our forthcoming NHS Stakeholder Gathering. It doesn't appear we have a RSVP from you, so I just wanted to flag in case the invite (see below) was not received.

If you are able to attend, please use our online booking form which [you can access here](#). Alternatively, if you are unable to attend let me know and I can update our records.

Many thanks.

Kind regards

Ang

You're invited..

NHS Stakeholder Gathering

Monday 17 June 2024, 10am - 12pm

The NHS Long Term Workforce Plan has set out a series of ambition actions, reforms, and proposals. At Solent University, we recognise we need to work collaboratively with our regional partners in health to support the national and regional targets that have been set. We officially launched our Human Health Lab on 31 January 2024 and it was great to welcome many of our health partners there. As part of the event, we hosted a workshop providing the opportunity to reflect and discuss how you perceive the challenges the industry faces and what changes could make a difference. We are delighted to share with you those reflections [here](#).

To ensure we are directly hearing the changes that need to happen from your own expertise, experience and perspectives, we would like to extend our invitation from our inaugural event to invite you back for a follow up workshop and networking event on Monday 17 June 2024, between 10am and 12 noon.

During the event we will:

- Explore themes around the emerging strategy and workforce development.
- Follow up our discussions to ensure continued collaboration between Solent University and our regional partners so we can directly hear from you about the ways in which Solent University can support, engage with, and contribute to the industry.
- Tour and access our state of the art Sports Complex, designed to meet all sport and health needs.

Please confirm your attendance by completing our [online registration form](#). If you are unable to attend, please [contact our Communities Development Team](#) who will update your registration status.

We look forward to welcoming you to this event and if you have any questions in the meantime, please get in touch.

With kind regards,

Jan Parker

Head of Social Sciences and Nursing

Solent University
