Mr Steven Rogers  
By email: [steven.rogers@manchester.ac.uk](mailto:steven.rogers@manchester.ac.uk)

Dear Mr Rogers,

On behalf of the Faculty of Biology Medicine and Health, I am pleased to inform you that your award for the degree of PhD has now been confirmed.

You will receive information from the Student Services Centre regarding the next graduation ceremonies. Registration for graduation will be online via the self-service function within the [My Manchester](#) portal. Details regarding the degree ceremonies can be found at: [www.graduation.manchester.ac.uk](http://www.graduation.manchester.ac.uk). Your degree certificate will be provided to you at the graduation ceremony.

If you do not wish to attend graduation, or would like to defer your attendance, you should confirm this via the self-service registration process. Your degree certificate can either be collected after the graduation ceremony from Student Services Centre or will be posted to the home address listed on your student record after the graduation ceremony. You can confirm if you wish to collect your certificate via self-service. If you require a degree certificate before the ceremony, you can purchase a duplicate copy via <http://estore.manchester.ac.uk/>.

If you have any queries regarding the graduation ceremonies or the degree certificate, please contact the Graduation Team in the Student Services Centre, telephone + 44 (0)161 275 5000 or email: [ssc@manchester.ac.uk](mailto:ssc@manchester.ac.uk). When contacting the Graduation Team you need to quote your student number.

**Manchester Alumni Association – the organisation for all our former students**

Once you have graduated, you will be able to register as a full member of the Alumni Association and take advantage of the discounts/benefits available. Further information can be found at: [www.manchester.ac.uk/connect/alumni/](http://www.manchester.ac.uk/connect/alumni/)

**Your Future** – To help inform the next generation of researchers at the University, we would like to discover your career situation in around 15 months' time. This survey is known as the Graduate Outcomes Survey and will be carried out by an independent body, on our behalf, so please let them know what you are doing. All data collected will be used anonymously. Remember, you can use the University Careers Service for up to 2 years after you leave.

On behalf of the Faculty of Biology Medicine and Health I would like to take this opportunity to congratulate you on your degree and wish you every success in your future career.

Yours sincerely,

Jessica Bowler  
PGR Services Manager
