2nd December 2020

Dear Ms Mari Murumets,

On behalf of The Vascular Societies' Committee, we would like to thank you for supporting and presenting at this year's Virtual Annual Scientific Meeting.

We appreciate you taking time out of your busy schedule to prepare and record your talk and attend the Annual Scientific Meeting. We hope that you found the conference academically stimulating, as well as enjoyable.

Throughout the four days, delegates had the opportunity to learn from their colleagues and from experts such as you. The feedback we have received so far, indicates the whole programme and your session was well received. All talks are available for delegates to watch on demand for the next six months, which is proving very popular.

Once again, we thank you for your excellent contribution, which helped to ensure we delivered an exceptional virtual Annual Scientific Meeting 2020.

With kind regards and many thanks.

Yours sincerely,
