**Subject:** Your co-authored submission

Dear Miss. Nix,

You have been listed as a Co-Author of the following submission:

Journal: Asian Journal of Surgery

Title: Does Pre-operative Dual Antiplatelet Therapy Reduce the Risk of Post-operative Thromboembolic stroke Following Carotid Endarterectomy?

Corresponding Author: Khalid Makhdoomi

Co-Authors: Miss, Dawn Nix

Khalid Makhdoomi submitted this manuscript via Elsevier's online submission system, EVISE®. If you are not already registered in EVISE®, please take a moment to set up an author account by navigating to <a href="http://www.evise.com/evise/faces/pages/navigation/NavController.jspx?JRNL">http://www.evise.com/evise/faces/pages/navigation/NavController.jspx?JRNL</a> ACR=ASJSUR

If you already have an ORCID, we invite you to link it to this submission. If the submission is accepted, your ORCID will be transferred to ScienceDirect and CrossRef and published with the manuscript.

To link an existing ORCID to this submission, or sign up for an ORCID if you do not already have one, please click the following link: <u>Link ORCID</u>

What is ORCID?

ORCID is an open, non-profit, community-based effort to create and maintain a registry of unique researcher identifiers and a transparent method of linking research activities and outputs to these identifiers.

More information on ORCID can be found on the ORCID website, <a href="http://www.ORCID.org">http://www.ORCID.org</a>, or on our ORCID help page:

http://help.elsevier.com/app/answers/detail/a id/2210/p/7923

If you did not co-author this submission, please contact the Corresponding Author directly at khalidmakhdoomi@hotmail.com.

Thank you, Asian Journal of Surgery
