Dear Miss Bishop:

"Doppler waveform analysis during provocative manoeuvres in the assessment for Arterial Thoracic Outlet Syndrome results in high false-positive rates; a cross-sectional study."

I am delighted to tell you that your paper has been accepted for publication in JRSM Cardiovascular Disease.

We will send you proofs and publish your article as quickly as possible. JRSM Cardiovascular Disease is an online open access journal.

Prior to publication, we will request that you complete the journal's contributor agreement, then payment of the Article Process Charge (APC), where applicable, and that you respond promptly when you receive your typeset proofs check.

The current APC can be found here: <https://uk.sagepub.com/en-gb/eur/journal/jrsm-cardiovascular-disease#ArticleProcessingCharge>

Thank you for your submission. I hope you submit future work to the journal.

Yours sincerely,

Professor Albert Ferro
Editor-in-Chief, JRSM Cardiovascular Disease
