What's new with Philips EPIQ Elite 6.0

Philips are pleased to present a two part webinar with **Professor Henrik Sillesen** and **Professor Carlo Martinoli**.

Join us on Thursday 22nd October at 10:30 CET, (Australian Eastern Daylight Time (AEDT)) for the Philips Live! Advanced Education Webinar. **Professor Henrik Sillesen**, will lead an engaging discussion on **How 3D ultrasound has elevated vascular imaging** and **Professor Carlo Martinoli** will share his insights in **Uncovering the known and unknown in elbow ultrasound**.

Advanced Education Day

Thank you for attending the Philips **Live!** webinar yesterday.

We are delighted that you could join us to explore how we can, together, improve outcomes and transform care practice. We hope you found the program useful.

Soon you will receive a link to watch the full recording of the webinar. Stay tuned!

Philips Live! events are immersive experiences to **learn** about new innovations and trends, **share** insights with peers and colleagues, and **connect** with leaders in professional and personal health.
