

**Kamran Modaresi** has completed this personal reflection on **22/02/2018**

**Paper:** Winter 2018 CPD Questions

**Personal Reflection:**

It's good to re-visit these topics, in particular for the older members of the Society. It clarifies the more recent understanding/guidelines on these measurements. We have taken the results of these papers and reviewed them with the rest of the Unit. We have made a minor adjustment to our protocols.
