

**Jacqui George** has completed this personal reflection on **05/11/2020**

**Paper:** Autumn 2020 CPD Questions

**Personal Reflection:**

Paper one -updated me on current practice of using graduated compression stockings pre surgery -probably not needed is being anticoagulated

Paper two - useful update on the concept of angiosomes. Our unit doesn't tend to use the angiosome concept -choosing best outflow vessel and this paper appears to support this practice.
