Dear Sir/Madam

This is to verify that Patricia Rooney commenced the PgC/PgD/MSc Ultrasound Imaging programme at the University of Salford and registered for a Post graduate Diploma.

They have currently satisfactorily completed all the assessments associated with the following modules –

Gynaecology Ultrasound, Early pregnancy ultrasound and General ultrasound

This includes both academic and clinical competency in these modules and the marks were ratified at the exam board on 02/02/23.

They have elected to interrupt their study and complete the Obstetric module next year and so a certificate will not be awarded at this stage as they are still a registered student.

If you require any further information, please do not hesitate to contact me.

Yours sincerely,

Angela Booth

Ultrasound programme leader
