Hi Caoimhe

I am preparing my talk for Thursday. I was just wondering if I should bring my presentation on a USB stick. I will have a copy on my personal login.

I am looking forward to meeting all.

Kind Regards
Siobhan

Dear all

This is just a quick update on the details for the information session on MSC and the Scottish equivalence training scheme.

The large anaesthetics seminar room, 2nd Floor, RIE is booked for 5th February from 9am.

I have organised two speakers – however if you are aware of anyone else that may be able to contribute please let me know.

9am – Introductions

9:15 – 9:45: An overview of my MSC training and learning experience – Christina Stewart

9:45 – 10:15: My experience of producing a portfolio for an MSC equivalence interview – Siobhan Meagher

Hope you can all make it

Regards

Caoimhe
