Please comment on the applicant's ability to write clear reports and relay urgent findings appropriately:

Matt is a competent and thorough vascular scientist with excellent, high quality report writing skills that relay scan findings in a clear and appropriate way. Matt fully understands the situations when an urgent finding needs to be dealt with and will contact the appropriate staff member/team accordingly and efficiently, always putting the patient first.

Please include any other comments you may have (please continue on the reverse of the page if required).

Matts scientific knowledge is outstanding and his ability to translate this into practice is excellent, he can tackle challenging patients and scans without hesitation and understands when it is appropriate to seek a second opinion. I fully support his application for the SVT practical exam.
