THE SOCIETY FOR
VASCULAR TECHNOLOGY OF
GREAT BRITAIN AND IRELAND

PRACTICAL EXAMINATION UNDERTAKING BY HOST TRUST

From: Mid Essex Hospital Services NHS Trust(Broomfield Hospital)

To: Society for Vascular Technology of Great Britain and Ireland (SVT)

Whereas:

i. Following successful completion of the Physics and Vascular Technology multiple choice exams, (the Candidate) will be expected to sit a practical assessment. This will be carried out at the candidate's usual place of work in the premises of the Host Trust, and involves the completion of three different vascular ultrasound scans under the scrutiny of two Accredited Vascular Scientists. One or both of these Accredited Scientists will be extrinsic to the Host Trust and will have been invited, by the SVT Education Committee, to conduct the candidate's practical exam.

ii. Accredited Vascular Scientists are representatives of the Society of Vascular Technology of Great Britain and Ireland.

iii. The role of the Accredited Scientist is that of an assessor and advisor.

iv. The Accredited Scientists have a duty to intervene if, in their professional opinion, a scan result is erroneous.

The Host Trust undertakes that:

1.0 The Host Trust will indemnify and hold harmless the Accredited Scientists and the SVT in respect of any claims made against, or losses incurred by, the Host Trust except where such claims or losses are directly attributed to the negligence of one or both Accredited Scientists.

2.0 The Host Trust will ensure that all patients have been properly consented to take part in the professional competency examination in accordance with the Data Protection Act 1989.

3.0 The Host Trust will provide a safe and suitable environment for the purposes intended under the terms of this Agreement.

4.0 The Host Trust will use its best endeavors to ensure that the candidates line manager is available on the day of the assessment should any issues arise.
