Reference Request to Internal Assessor

Applicant's name: Adam Thornton

The above named applicant has applied to sit the SVT practical examination. This is the final assessment on the route to becoming an **Accredited Vascular Scientist**. Applicants must fulfil certain eligibility criteria before they are entitled to sit the examination. The Education committee has agreed that the nominated internal should confirm the applicant's eligibility. We would be grateful if you could fill in the details below.

Applicants current job title	Clinical vascular scientist
Applicants current Employer/Hospital	Independent vascular services/ Royal Bolton hospital
Start date of applicants current job	08/05/2017
Applicants current weekly hours working in vascular ultrasound diagnostic scanning	37.5
How long have you known the applicant?	3 years

Where applicable please comment on your perception of the applicant's proficiency in the following areas:

Duplex of carotid and vertebral arteries	Poor ☐	Acceptable ☐	Good ☐	Excellent ☐✔
Duplex of lower limb arteries	Poor ☐	Acceptable ☐	Good ☐	Excellent ☐✔
Duplex of varicose veins	Poor ☐	Acceptable ☐	Good ☐	Excellent ☐✔
Ankle Brachial Pressure Indices	Poor ☐	Acceptable ☐	Good ☐	Excellent ☐✔

Please comment on the applicant's ability to write clear reports and relay urgent findings appropriately:
Adam is a very conscientious and hard worker who has demonstrated a very high level of skill and attention to detail over the past 3 years. He has developed an excellent ability to write accurate and concise reports, along with appropriate accompanying diagrams to aid diagnosis. He is fully aware of the hospital red flag policy and always ensures that he follows protocol when highlighting urgent findings.

Please include any other comments you may have (please continue on the reverse of the page if required).
I have known Adam for 3 years now and have enjoyed helping him to reach his goal of becoming an accredited clinical vascular scientist. He has shown reliability, integrity and a very focused approach to his learning. He is a valued team member of the Bolton Vascular Ultrasound Department and I look forward to him demonstrating his skill set for an examiner.
