How long have you known the applicant?	5 years

Where applicable please comment on your perception of the applicant's proficiency in the following areas:

Duplex of carotid and vertebral arteries	Poor	Acceptable	Good	Excellent ✓
Duplex of lower limb arteries	Poor	Acceptable	Good	Excellent ✓
Duplex of varicose veins	Poor	Acceptable	Good	Excellent ✓
Ankle Brachial Pressure Indices	Poor	Acceptable	Good	Excellent ✓

Please comment on the applicant's ability to write clear reports and relay urgent findings appropriately:

Mr. Ikhtlaq Ahmad Rana possesses a profound expertise in diagnosing vascular conditions. He has demonstrated excellent knowledge and competency in reporting vascular examinations. His assessment skills are complete and accurate in finding acute pathologies and relaying them to the vascular team on-call.

Please include any other comments you may have (please continue on the reverse of the page if required).

He is well organized and fully capable of handling a high volume of work. He has good working relations with the vascular team. He can prioritize the workload and ensure the smooth working of the vascular laboratory. He always ensures that the reports are presented in timely and accurate manner. He knows the limitations of duplex ultrasound and where further imaging is required.
